

The Slow Festival OCM Awards

One of the things that may surprise many newcomers to Sedgefield, is the amazing sense of community prevalent in the town. What may surprise you even more, is that many of those people who contribute most, are those who are sometimes in need themselves. Despite this fact, they spend many hours giving of their own time and skills to uplift and enrich the lives of those less fortunate around us. They are our unsung heroes.

The Sedgefield Slow Festival has, since its inception, strived to help several charities and charitable causes. This year, the Slow Festival Committee has decided that we would also like to honour the unsung heroes who make a difference to Sedgefield and its community. From this year onward, we are launching the Slow Festival Outstanding Community Member Award (OCM for short) for both ladies and gents.

If you know any of these great people who should be recognized and acknowledged for the work they do in our community, please send the name and contact details of your nominee, as well as a short motivation to sedgeslowfest@gmail.com or fax to 086 549 5141.
