

OUT OF THE BIN FASHION SHOW

With the 2013 'Out of the Bin Fashion Show' creating the amazing excitement, buzz and results it did last year, many local youngsters and budding aspiring designers have been designing, planning and creating their elaborate and funky outfits for this year's 'recycled' fashion show.

Taking place on the Village Green at 2pm on Sat 19th April, it will be whorls, twirls, colour and creative style that win the judges critical eye. There are also many great prizes up for grabs so those wanting to enter should do so smartly! "We are hoping that hundreds of spectators will come to watch this fantastic event" said Elsie Cervati from Smutsville, organiser of the event. "The girls and boys have literally put hours and hours into rehearsing and creating their spectacular outfits and they surely deserve ALL the support and applause they can get!" "The event starts at 2pm and if your children would like to enter a recycled outfit into the fashion show, we would love to have them there.'
