

A 'SLOW FEST' PILGRIMAGE

This Easter, as a part of the Sedgefield Slow Festival Programme, residents and visitors, young and old alike are invited to undertake a short pilgrimage through our town.

The route which will begin at the Sedgefield Christian Church, will wind its way through the village, and up the dune to Smutsville. The journey may be made on foot or by car and there will be transport available for those who would like to combine these two methods.

En-route will be 7 stopping places, which will host representations of some of the major Biblical events marking the journey that Jesus made to Calvary.

These presentations are currently being created by seven different local congregations, who are coming together to ensure that Easter 2015 will be a truly blessed one in Sedgefield.

2,000 years ago Jesus invited people like us to follow Him on the pilgrimage of faith. Even today He invites us to follow Him on the Way of the Cross.

So this Easter, plan your holiday ahead, to include time in which you can participate in and experience the true 'reason for the season'.

Take the Way of the Cross through Sedgefield and Smutsville and may the Lord bless you at every stopping place on your pilgrimage.

On Easter Sunday the Mass Choir of Sedgefield, will close the Slow Festival Programme with a short presentation of Songs and Dance celebrating the joy of the Resurrection .
