

Only 9 Weeks 'til Slowfest!

Yes that's right, only 9 weeks until our town once again welcomes visitors to enjoy our beautiful coastal Cittaslow Town bedecked in orange. This year's Slow Festival will be held from the 25th- 27th of March, and what a weekend of good old-fashioned family fun it promises to be. "The organising committee have never really stopped, following last year's incredibly successful event" said committee member Riana Hanekom "but we are now kicking in to top gear".

The 'Town drive Orange team' will soon be visiting all the local businesses and the jam-packed programme is in the process of being finalised, designed and made ready for print in February. The Committee are very excited to share with you the planned events, whether they be old favourites or exciting new ones. Keep an eye on the website (www.slowfestival.co.za), the Facebook page (www.facebook.com/slowfestival.co.za) or follow on Twitter (@SlowFestival) for all the news and updates on the 2016 event programme!

Dust off your Orange accessories, encourage your out of town friends, family and foreign visitors to book accommodation to join us to have some good old-fashioned fun with a vintage theme and let's get ready for Slow Festival 2016!
